

January 2018 at Sebastian Inlet State Park

SUN	MON	TUE	WED	THU	FRI	SAT	
	1 New Year's Day *First Day Hike with a Ranger 8am T-dock P. Lot  full moon	2 Start the Year off right with a First Day Hike!	3 	4 Cold days in Jan. and Feb. might bring Right Whales to our nearshore waters.	5 *Sunset Kayak Tour, Inlet Marina, 3:30 pm Call ahead - 321-724-5424	6	 <p>Sea Grapes are not really grapes at all: they are actually members of the buckwheat family of plants. Unlike true grapes, sea grapes do not ripen together as a bunch, but instead "one grape at a time." They make a fine jelly and feed several kinds of wild animals found throughout the park. Please do not pick!</p> <p>Florida State Parks, providing resource-based recreation while preserving, interpreting, and restoring natural and cultural resources.</p> <p>www.FloridaStateParks.org</p>
